**Dr. Laurance Jerrold to
Speak at Alumni Meeting
September 10-11, 2010**

Dear Alumni, Colleagues and Friends,

This is your formal invitation to the Quadrennial Alumni Meeting of 2010! Practicing orthodontist and lawyer who is a legal contributing writer for the AJDO, Dr.

Laurance Jerrold, has been invited to speak to our group on risk management in the orthodontic office. Back by popular demand is the 2-day presentation format with a combined staff/team lecture on Friday and then a doctor's only program on Saturday at the ADA Building in Chicago. Due to our litigious society, this presentation is must for your team. Those practitioners who have had the misfortune to navigate through the court system will tell you first hand that this is the worst experience you will ever face in your professional career.

Furthermore, the likelihood of a lawsuit being filed against you increases as you see more patients and the longer you are in practice; your staff is your front line defense in fending off this assault! Included in this meeting for the doctors only presentation is information about being prepared for the untimely and unfortunate incident of Death/Disability/Displacement and the emergency transition of a practice.

As a perk for being a member of the Alumni Association, the cost of attending the meeting is FREE. Recent graduates of the 2008, 2009 and 2010 UIC Orthodontic Department are also invited to attend FREE of charge as welcomed guests of the Association! Space is limited so we ask that you respond immediately to guarantee a spot. We should also point out that there are also 11.5 hours of CE credit available for the 2-day meeting.

This year's event is very special occasion as the Alumni Association and Department Chairman, Carla Evans, are extremely thankful for the financial assistance of our donors who have made the renovation of the UIC clinic possible by supporting our "Quest to be the Best" campaign. Despite the financial woes of the State of Illinois and the University, we were able to raise over \$1.2 million! The Department renovations have been 100% privately funded through YOUR generosity. While the orthodontic faculty offices on the first floor are the final part of the renovation project, our priority has been the renovation of the clinical patient treatment and resident lab areas. The new 27 chair clinic and second floor digital student lab area are in use and fully functional.

Please plan on attending this year's meeting as we recognize the donors who have supported the UIC Department's "Quest to be the Best" campaign. This newsletter is your guide to the upcoming events of the meeting. **Make your hotel reservation at the Ritz Carlton now!** Discounted hotel reservations can be made through the ADA at 1-800-621-8099 to receive a rate of \$199 for the Ritz Carlton which is a 5 star hotel across the street from the meeting location. Rooms at this rate are limited...call now!

UIC Clinic Open House and Donor Wall Dedication

**Saturday,
September 11
1pm-4pm**

When was the last time you went back to the UIC orthodontic Department for a visit? This is a very special part of this year's alumni activities with the recent renovation of the Department with the Quest to be the Best campaign. We have raised over \$1million through the generous support of our alums and we will have a formal ceremony as we make the official dedication of the clinic and the Donors Wall. This is a great opportunity for everyone to return to UIC and reminisce as we formally recognize the donors. This invitation will be extended to ALL alums, even those who were unable to attend the meeting. **LUNCH WILL BE PROVIDED** as well as a shuttle bus back and forth from the ADA Building to UIC.

Grand Opening of the UIC Orthodontic Clinic (9-15-2009)

New Resident Digital Lab

Grand Opening of the New Lab (5-5-2010)

Meeting Sponsors!

Ormco, Hu-Friedey and Discus Dental are all proud sponsors of the 2010 Alumni Meeting! We hope everyone shows their appreciation to these vendors who financially support the activities of our association and help defray the cost to allow us to include the residents free of charge.

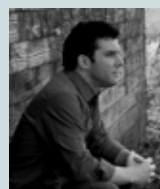

Alumni Reception Brasserie Jo

**Friday, September 10
6:30pm - 10pm**

The Alumni Reception banquet for the doctors and spouses/significant others will be held at Brasserie Jo, a Lettuce Entertain You restaurant, located in close proximity to our meeting (59 W. Hubbard St.). Association Board member, Howard Spector, is a personal friend of Chef Joho who runs the restaurant and the menu promises to be outstanding. The restaurant awards include winner of the 1996 James Beard Award for Best New Restaurant of the Year and is described as stylish and bustling with the ambiance reminiscent of Paris in the 1940's. For those avid Food Channel watchers, Chef Joho was featured as a judge on Top Chef Vegas. Check it out at www.brasseriejo.com.

Professional piano player and entertainer Michael "Stu" Stoinski "The Piano Guy" will make the evening light and enjoyable. Stu plays regularly at The Redhead Piano Bar in Chicago and his playing and singing is like no other - "10 fingers have never been this fun!" Check him out at www.iampianoguy.com.

There will be ample time for socializing with extensive hors d'oeuvres and entertainment followed with a four course meal. Beer and wine are included in your \$75 per person charge, but space is limited.

Orthodontic Risk Management: The Good, The Bad, and The Ugly

with Laurance Jerrod, DDS, JD, ABO
Special 1-day Team Session

SEPTEMBER 10-11, 2010 ADA BUILDING, CHICAGO

AGENDA: This presentation integrates risk management, patient management, and fiscal management in a common sense, team oriented approach.

**Day 1 – Friday, Sept. 10
Doctor and Team Session**

7:30am-8:30am – Registration
8:30am-12:00pm – Lecture
12:00pm-1:00pm – Lunch
1:00pm-4:30pm – Lecture
7:30pm-10:00pm – Alumni Reception
Brasserie Jo with the Piano Guy

During this full day presentation, both Doctors and Staff will be exposed to the following issues:

- What constitutes the Standard of Care
- Applying Statutes of Limitation to everyday practice
- Forming and Terminating the Doctor Patient Relationship
- Vicarious Liability in the dental setting
- Referral Liability
- Transfer and discontinuation of practice issues

- Consent and informed consent
- Contract Law
- Setting, collecting, and returning fees, bankruptcy, and suing to collect fee
- Do's and Don'ts of Record Keeping
- What to do when threatened with a lawsuit
- Clinical errors leading to orthodontic litigation

Dr. Jerrod has promised to spice up the presentation with “war stories” depicting the legal issues and how they played out in a day to day setting. A **COMPREHENSIVE PACKET OF HANDOUT FORMS and LETTERS** will be provided!

**Day 2 – Saturday, Sept. 11
CEO Course for Doctors Only**

8:30am-12:00pm - Lecture
1:00pm-4:00pm - UIC Open House and Donor Wall Dedication Free Lunch and Shuttle Bus from ADA Building

This half day session will cover the following 2 topics:

- Preparing to get by the proverbial bus. C.A.D.E.T. deals with Coverage Agreements for Death/Disability/ Displacement and Emergency Transitions. This is an absolute **MUST** for virtually all practitioners.
- Chairside clinical ethics via case examination and audience participation.
